USER PERSONA

Simran Gupta-Sharma

Developer advocate

Visual learner, crawler

AGE 24

GENDER Female

EDUCATION

Bachelor of science, physics

LIKES | DISLIKES

Interactive visuals | *Nested content*

SCENARIO

- I love aesthetics.. English is not my first language, so I struggle with long complicated words. Once I find something my eye likes, I tend to explore and that is how I trust if a website is good or not. Long walls of text turn me away.

GOALS

- Gain knowledge

DEVICE
Windows OS, laptop monitor

BROWSER
Windows edge

ACCESSIBILITY
None
